The Homewood Arts Council is in it to win it! As we keep moving forward in our joint efforts to combat Covid-19, the HAC is sponsoring a mask design contest and we are bringing it to our schools.

To participate, please use the space below to create your work of art using **black ink only**.

A winner will be chosen from both School District 153 and 161's elementary schools, one from Parker Junior High, one from James Hart Middle School, one from H-F High School and one from the general public. Masks will be produced and sold around town at local Homewood-Flossmoor businesses. All proceeds will go towards the Homewood Arts Council's Scholarship Fund.
